COMMUNITY IS EVERYTHING

# Call for Justice Reinvestment

**A First Nations child is 26 times more likely to be imprisoned than their non-Indigenous classmates. So what's the alternative? It's called justice reinvestment.**

Justice reinvestment is led by the community, for the community. Instead of failed punitive approaches, justice reinvestment is evidence-based. It embraces therapeutic and rehabilitative methods like diversion programs that address the underlying causes of problematic behaviour in children, in order to improve it - diverting them away from the criminal justice system.

**Sign the petition calling on the government to stop playing politics with the lives of our children, and start investing in justice that works now.**
